from the
supervisor

One of the questions I have been asked the most regarding my position is, “How do you like it?” I have to answer honestly - it has its moments - but I certainly enjoy being a central part of the Town government.

I look back at the last year and know there is more to still accomplish. I will continue to research these areas as each presents itself. I’ve also come to realize that no matter how much I believe or do not believe in something there will always be someone who isn’t happy with my or the Town Board’s decision. I accept that. In the end I have to keep perspective regarding what the benefit to the Town is as a whole with each decision we make.

I have met with the store manager for Tops Friendly Markets and they recently conducted job interviews in the Town meeting room this April. A mid-May grand opening has been scheduled for their brand new Walworth location.

Mark’s Pizzeria has reopened in their renovated location in the Walworth Hamlet. I am hearing wonderful comments and wish them continued success in Walworth. Mark’s has been a great supporter of the activities in the Town and we appreciate that immensely.

Our ice rink was a “hit” and I have heard that many residents are extremely happy to have this opportunity in our community. A couple of area Towns visited the rink this winter for ideas. I know many of our hockey players would like to utilize the rink and the Recreation Department will be looking for ways to accommodate a variety of uses at the rink.

With Spring approaching the Parks and Recreation Department is gearing up for the 2015 Farmers’ Market. We have a new entrance sign for the market thanks to Dan Courteau who constructed the sign as part of his Eagle project. Thank you and congratulations on your achievement!

Park fields will soon be prepared for another wonderful season of activities. Our Lodge has many events scheduled for the wedding and graduation season. I look forward to seeing and hearing how our residents and visitors enjoyed what we have to offer.

The Town has been looking at alternative energy and improved energy efficiency to control costs. The Town installed a small solar array to power the shelter in Sherburne Park and has participated with Wayne Finger-Lakes BOCES in their energy bid for both natural gas and electricity. We have participated in scheduled demand outages, utilized our generators during specified periods of time when we are paid not to use energy, and investigated the construction of a solar array which would give us credits on our RG&E utility bills. The solar array plans are currently being prepared at this time. To keep up to date with this process or with what’s going on at any board meetings (Town Board, Planning Board, or Zoning Board), please reference each board’s meeting minutes on the town website.

Respectfully,

Patricia Marini

Medical Loan Closet

The Town of Walworth Medical Loan Closet can assist you in your time of need. Our Medical Loan Closet contains a variety of durable medical equipment including but not limited to: Wheelchairs, crutches, bedpans, portable commodes, and more. The Walworth Town Clerk's Office is happy to assist you with the borrowing of these items. Please call for item availability. Items may also be delivered if necessary.

Walworth Food Pantry

Residents who wish to donate goods to the Walworth Food Pantry may do so at the Walworth Town Hall during regular business hours. The following items are in need throughout the year: Cereal, canned fruit, Jell-O, pudding, soup, crackers, canned meats, canned potatoes, rice, jelly, canned vegetables, macaroni, spaghetti sauce, peanut butter, baked beans, coffee, tea bags, and sugar. Other non-food items are also in great need throughout the year. Personal and household items such as bar soap, dish soap, laundry detergent, and bathroom tissue may also be donated.

This January town residents received a mailing with notification the Town is conducting a Dog Enumeration (census). As required by Article 7 of the NYS Agriculture and Walworth Local Law Chapter 56: Any dog(s) 4 months or older must be licensed in the municipality (town) in which they are sheltered in.

If you currently own a licensed dog(s) there is no need to do anything. If you have a dog(s) that is not licensed or the license has expired please contact the Town Clerk's Office. Licensing can be done in person, by phone, or by mail with payment in the form of cash, check, or credit card. Failure to respond to the Dog Enumeration could result in a court appearance ticket and possibly a fine.

Beginning May, Lea Dill, Dog Control Officer, will be visiting our neighborhoods checking on your dog license. Lea has identification. Please request to see it.

I would like to thank those of you who have contacted us regarding your dog license and look forward to hearing from you if you have any questions.

Free Fishing Days - Each year the last full weekend in June is designated as Free Fishing Days in New York State. During those two days anyone can fish NYS waters and no fishing license is required. This event started in 1991 to allow all people the opportunity to sample the incredible fishing New York State has to offer. This year's Free Fishing Day's are Saturday and Sunday June 27th and 28th.

EZ Pass - Your Town Clerk's Office is an official authorized retailer for NYS EZ Pass. Stop in and purchase your tag for \$25. Register online or call to activate your pass. Then simply attach it to your windshield and start saving! EZ Pass automatic replenishment, check or cash, can be used in many other states (New Jersey, North Carolina, Ohio, Pennsylvania, Virginia, Maine, and more). There are no additional fees for purchasing your EZ Pass at the Town Clerk's Office. Once registered you even receive a \$25 credit for your use!

Peddling & Soliciting - The Town of Walworth enacted, in 1978, Local Law No. 6 which requires all peddlers and solicitor's to obtain a license with the Town Clerk. Always ask to see this license and picture ID. If a peddler cannot show a valid license you should not allow them on your premises or in your home. You can contact the Town Clerk's Office at any point to verify the issuance of a peddler's license.

Sunshine List - Stay connected to the Town by email! Send an email to twncldr@townofwalworthny.gov to be added to the list and receive a courtesy email with meeting minutes, notices, and more!

Next time you are in the town hall stop in and say hello! We would love to see you! If you ever need assistance please do not hesitate to contact me.

Regards,

Susie C. Jacobs

We thought a turn in the weather was finally here... But alas as we are completing our summer Town Topics it is snowing and below freezing!

Rest assured the Summer will be here - and so will an abundance of fun, excitement, and continued growth for the department. We hope to see all of you at some (or many, or even better most!) of our programs and events over the summer!

Mid-June marks the return of the Ginegaw Park Farmers' Market. As we enter our third season we continue to grow in both the number of vendors and rotating vendors we will offer week-to-week and in the scope of what we aim to accomplish at the market this year and years to come. At the mid-way point of the Town Topics you'll find a special market pull-out. Keep this handy reference of the special events we have scheduled for this season. Along with some past favorites the market is featuring a Strawberry Social, Sweet Corn Festival, Pumpkin Festival, Trunk Sale, the return of wood-fired pizza from Big Papa's, and a bevy of chicken barbeques. We've also added some new rotating vendors as Smoothies Plus, Gregorio's Fresh Cheeses, and KP's Kettle Corn join the fold. The market has become the heartbeat of the community on Tuesday afternoon's. We look forward to continuing to grow the ties between the market and the community this Third Season and in the seasons to follow.

This June Walworth Recreation will be participating in the Relay For Life event at Richard Mann Elementary School in Gananda. The event takes place on Friday, June 5th. Walworth Recreation will be putting a team of walkers together to support the event and honor those who've been touched by cancer. We hope you'll join us! Look for more information about our team and the event in the weeks to come. We will have a special section on our page on the town website with details.

The summer soccer season is approaching! We cannot stress enough the importance of registering early for soccer leagues. In order to provide shirts for players we must have firm team numbers a month ahead of our season start dates. If you're thinking of playing don't delay - sign up today! If you might be interested in coaching or refereeing this summer please contact the Recreation Department as well. We have so many wonderful and dedicated volunteers who coach but can always use extra help with teams. For more information about our Summer Soccer Leagues please see pages 20 & 21 of the Town Topics.

from the
rec department

At the end of this school year we will be losing one of our most important colleagues in Pat Raidmae. When we took the leap of faith into providing half day activities for Gananda Elementary Students we did so leaning heavily on Pat. The details and intricacies of running a program that consistently draws 100 plus participants are immense and without Pat's help these past three year's we would never have attained the success we have had with the program - let alone been able to get it off the ground. We wish Pat nothing but the best in her retirement and cannot thank her enough for all she's done over the years for us!

Our annual outdoor movie in conjunction with the Walworth Lions Club will show on Saturday, July 25th beginning at 8:45pm in Ginegaw Park during the Lions Club Festival in the Park. This year we invite families to come out and enjoy Disney's smash hit comedic adventure Big Hero 6! Don't forget your lawn chairs and blankets! The Walworth Friends of the Park will be selling refreshments at the event to support future programs and events. Festival fireworks immediately follow the movie.

We look forward to all this summer programming season has to offer. As always please don't hesitate to contact us with questions or comments regarding programming and other events. We continually strive to provide the highest quality programming possible!
